

## **Create a GoFundMe**

This should be the starting point of your fundraising! This will be your one stop shop for raising money. On GoFundMe you can tell people who you are, what you are fundraising for, and how much it would mean to you if people gave. This is a great opportunity to talk about the trip and how it will glorify God.

Share this link! Have your parents put it on Facebook and other outlets to get it out there!

## **Write Letters**

Writing letters to aunts, uncles, grandparents, family friends, teachers, coaches, sports teams and anyone close to you is a great way to raise money. In this letter write about the opportunity you have been given, what you will be doing, and how it would glorify Jesus.

Once you have explained the opportunity, ask them to consider becoming a prayer and financial partner. Share with them the total need for your trip and include a QR code to your GoFundMe.

## **Get Creative**

There are so many ways you can raise money! Baking and selling goods, designing and selling shirts, mowing lawns, washing cars, cleaning houses, etc! There are many ways to raise money, just GET CREATIVE and do the hard work.

We are praying for you!
