

# Tough Questions

## What make Christianity Different?

Week 2

### Getting Started:

Christianity is one of many different religions around the world. What do you think makes Christianity special or different from other religions? Are there any teachings or ideas in Christianity that make you think differently or match your own beliefs?"

### **Questions:**

### Open:

Have you ever had a conversation with someone about Jesus being the only way to heaven? How did you explain your thoughts? Looking back, would you have said anything differently or added anything more?

### Digging Deeper:

What's the hottest summer or longest dry spell you remember? Did you do any cool or unusual activities to stay cool?

Think back to about 3 ½ years ago, where were you living and what were you doing?

Have there been any big changes or important events in your life since then? What are you looking forward to in the next 3 ½ years?

Can you share a time when it was hard to trust in God's promises, but you kept your faith? What happened in the end?

Have you ever felt like you didn't quite fit in? Were there things that happened that helped you feel more included or did that feeling stay?

Who first talked to you about following Jesus? How did they explain it to you?

Is there a name for God that feels special to you? What about it stands out to you?

Can you remember a time when this name of God became more meaningful?

Is there someone in your life who you think might want to learn more about Jesus?

Let's spend some time praying for them and for a chance to invite them to church or a LifeGroup.

Answer Key:

What makes Christianity Different?

God runs to Outsiders.

Come and See.
